

Dear USEF Competition Organizers, Managers and Secretaries,

USEF thanks you for your continuous efforts to support our shared mission to ensure we provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices. As you are preparing for **SALISH SHOWJUMPING SPRING OPENER** beginning on **3/26/2026**, we are reaching out to provide you with the [USEF Safe Sport Competition Quality Control System](#) details and other information and valuable resources to assist you in navigating the SafeSport-related requirements to ensure you, your competition, and your participants remain in compliance. The USEF Quality Control System will be provided to all organizers upon issuance of each Competition License Agreement and again 29 days prior to the beginning of each competition.

Best regards,
